- First of all, there is no prize, just an opportunity for you to perform for a paying audience to raise some much needed income.
- Albany Light Opera and Theatre Co (Inc) would like to invite current and past members - individual performers and ensembles - to present a maximum of two items on stage at the Albany Port Theatre in a variety show called ALOTCo's Got Talent 2020.
- There will be THREE performances over one weekend in November 2020 and we would love to showcase the many amazing performers from ALOTCo.

Performers

- Everyone will need to be a financial member. If you need a membership form email Jill or look on website alotco.com.au
- We encourage you to source your own outfit, but costumes are available after discussion with Jodie James. Alterations can be undertaken by yourself or you can request assistance from the Costume Department.
- Make-up – provide your own for this production.
